Title: Phillips Solicitors achieves prestigious 'Legal 500' status again

Date: 16 November 2012

Local law firm Phillips Solicitors is celebrating the accolade of being recommended, on merit, once again by the Legal 500, the most comprehensive and prestigious annual survey of the UK legal market.

'We are delighted to have been specially selected for a recommendation in this year's edition of the guide, which is widely regarded as offering the definitive judgement of law firm capabilities,' says Rob Parker, associate solicitor at Phillips. 'Understanding the firm is only one aspect of the in-depth research process, ultimately it is our clients' opinions that matter hugely to the Legal 500 researchers. This is a real compliment and acknowledgement of our solicitors' expertise.'

The Legal 500 Series, now in its 26th year, is widely acknowledged as the world's largest legal referral guide. The Legal 500 is an independent guide, and firms and individuals are recommended purely on merit. It is the most comprehensive worldwide coverage currently available on legal services providers, in 100 countries. In the UK, over 1,000 law firms are analysed and some 45,000 clients contacted.
